DIAMETRALE fci IFFI

Film Campus — Call for Applications

Film Campus Innsbruck, Austria's first talent campus, takes place for the 13th time in 2027 and is a platform for young film talents. We offer a number of master classes by international film professionals in which the participants get the opportunity to learn and discuss with them. We are currently working on this year's program. To get an idea what's going on check out our website or our instagram account.

Innsbruck becomes a meeting point for today's talents and tomorrow's cinema. We invite all interested people to participate in the 13th Film Campus Innsbruck.

Festivals

DIAMETRALE Film Festival | 31 March — 04 April 2027

DIAMETRALE Film Festival has the focus on experimental and humoristic/absurd movies. Under the label "useless and beautiful" the festival presents various short film programs (competition, b-sides, sex positive), handpicked feature films and virtual reality sessions. ➔ www.diametrale.at

IFFI – International Film Festival Innsbruck | 25 — 30 May 2027

At IFFI we show films from regions and on topics that are underrepresented in global cinema networks. For six days, IFFI celebrates film as a global phenomenon in all its facets. In addition to new exciting and innovative films in the competitions, we show film-historical treasures in the retrospectives. ➔ www.iffi.at

Who can participate?
